

Ambridge Area Band Boosters, Inc. 2020-2021 Membership & Band Fees

The Ambridge Area School District does what it can when possible to support the Music Programs in our School District, but to do the things we do and go the places we go, it takes additional money and fees.

The "business side" of the Ambridge Area High School Marching Band is where the financial support lies when it comes to taking care of the uniforms, providing water, snacks, and often food throughout the school year, as well as assisting with bus fees when possible.

We try our best to keep fees and payments at the lowest possible amount, especially during these economically challenging times. Below are the Membership and Band Fees for the 2020-2021 school year.

ALL members of the band are responsible to pay these fees. This includes the Marching Band Students, the Color Guard Students and Bridger Belle Students. In addition, unless the student has been assigned a uniform, Band Managers are also responsible to pay all fees with the exception of the Uniform Fee.
