**Re:** TB Test

Heritage Valley Business Care handles the TB screening for the Ambridge Area School District. The TB test **must be done prior to starting any volunteer work** with the school district. No appointment is necessary, just let Heritage Valley know you will be a volunteer for the school district. If you have not had a TB test within the last 2 years, another TB test must be taken.

The TB test will be paid by the Ambridge Area School District.
